

## **Mobile phones and electronic devices Policy and procedure: Madrasah Al Furqan**

For safeguarding purposes, the use of mobile phones and other electronic devices is strictly prohibited for all pupils during Madrasah hours. This policy is in place to maintain a safe and focused learning environment for everyone.

However, pupils who are independent travellers or have received prior approval from the Headteacher may bring their devices under the following conditions:

- Devices must be handed in to a designated staff member at the start of the class.
- All devices will be securely stored for the duration of the day.
- Devices will be returned to pupils at the end of the day.

Failure to follow these rules may result in the privilege being withdrawn.
